Vacations

Every year, millions of people travel to a different country for vacation. Before, these vacations were very expensive. Only people that have a lot of money could enjoy a vacation in another country. Now, it is possible for everyone to spend their vacation in another country for many reasons.

One reason is low cost tours. Now, many companies have made tour plans that don't need a lot of money. Some tours are one-day plans. You can go to another country and return home in one day. So you don't need to pay for a hotel.

Another reason is low cost carriers. These are airplanes that are not as expensive as other companies. People don't need to pay for dinner and entertainment. These airplane tickets are much cheaper than the usual tickets. These airplanes can fly to many countries around the world every day. So it is easy to fly to any country.

Finally, it is easy to plan a vacation with the Internet. Usually, most companies will give a cheaper price when we use the Internet to buy tickets. We can reserve hotel rooms using the Internet too. Also, we can do this in many languages, so it's very convenient.

Now there are many chances to have vacations in other countries. Please take that (■) to relax and (▲) your life.
